

Leif.designpark at Qubique, Berlin

Hangar 6 (West), Booth 19, Berlin Tempelhof, Platz der Luftbrücke 5, 12101 Berlin, Germany

26-29 October 2011

At Qubique, the Next Generation Trade Show, De La Espada presents new products launched at London Design Festival in September and Fuorisalone in April. Over 40 new products from seven designer-led brands including **Autoban**, **Matthew Hilton**, **Studioilse**, **Charlene Mullen**, **Leif.designpark**, and two brands new to the roster, **Søren Rose Studio** and **Benjamin Hubert**. Each brand has a unique aesthetic, while all are united by a meticulous attention to detail and expert craft.

Leif.designpark

In this fall, Leif.designpark introduced the first bed to their collection, SUU, which combines timber, upholstery and storage options for a quiet, comfortable and functional bedroom. Also launched was AI lamp, a painted aluminium pendant available in two sizes. New options for existing products include painted versions of Tone Kids Chair and Tone Kids Table, and a marble tabletop for Lily Family of tables.
